

KINGS PARK SUMMER SERIES MAPRUN NOTES

- Free parking is in the car park adjacent to the cemetery/opposite the Council Garden Centre in Kings Park Drive. What 3 words: tested.keen.image (we suggest not trying the MapRun on Saturday morning when the Park Run is on!)
- Due to issues with georeferencing the map, the background map on the app will be an Open Street map, not ocad
- A couple of the controls may not register (what's new about that?!) so you may need to use HITMO afterwards.
- **YOU MUST NOT RUN OFF THE MAP** – even if local knowledge suggests a quicker route!
- Kings Park is obviously used for other recreational use so please be considerate when meeting them.
- Controls descriptions are not on the map. Available as a separate PDF. Usual points system: 1-10 = 10pts; 11-20 = 20pts; 21-30 = 30pts.
