PARTICIPANT CODE OF CONDUCT Everyone taking part must follow the BOF Participant Code of Conduct which can be found [here](#) and key considerations include:

- Acting as an ambassador for the sport of orienteering at all times and considering how their actions may appear in the eyes of landowners or members of the public.
- Observing social distancing at all times, including keeping their distance from other participants, volunteers and members of the public.
- Using hand sanitizer on arrival and departure.

Anyone who has symptoms of COVID-19, who is living in a household with someone who has a possible or confirmed COVID-19 infection, or who has been asked to isolate by NHS Test and Trace should remain at home. People who are classified as clinically extremely vulnerable can now consider taking safe exercise outdoors and meeting up with one person outside their household; however, it is unlikely that they would be able to safely take part in an organised orienteering event or activity.
