

Being a blustery day, with challenging courses out on the heath, the string course offered a more sheltered fun run for all those who took part. Times were a little slow for some, but who can blame them when there were monkeys to cuddle, and selfies to be taken with the dinosaur along the way! I know lots of the competitors did the course more than once so well done. In no particular order here are the results:

Esk W12 & Jolyon	2mins 40seconds
Monty M12	2mins 25 seconds
Jack M7	3mins 2 seconds
Mathew M6	7mins 34 seconds
Grace & Lyra	6mins 17 seconds
Finley M4	8mins 52 seconds
Rufus M10	2mins 41 seconds
Alice W10	2mins 5 seconds
'dad'	2mins 15 seconds
'mum'	2mins 35 seconds
Jasper M7	2mins 41 seconds
Heather W10	3mins 29 seconds

A big thank you to all my helpers, especially in taking the course down as I was out on rather a long Blue run!

Hope to see you all out in the forest again soon.
